SENSITIVE INFORMATION

TO : Chief of Station, Frankfurt

DATE: 10/10/52
Attn: Polymach

FROM : Chief, EE

SUBJECT: GENERAL. Operational
SPECIFIC. UJ-DROSHKY Clearance

1. As you probably know, before any of the candidates for UJ-DROSHKY can participate in that project they must have operational clearance such as is required for all DTCLAIM agents.

2. Consequently, we have now been asked to complete Part II of the Personal Record Questionnaire on Dr. Edmund A. DROSHKY. We have not as yet been asked to furnish Part II's on the other five candidates, but in view of the nature of the training it is proposed to give the DROSHKYites, it is more than likely that this will be required for all of them.

3. Obviously we here are not in position to complete this form on any of these individuals, and we realize that neither will you be able to answer many of the questions, and, in fact, some of them are not pertinent. However, we would appreciate your filling in whatever information you have on each one of the six candidates. We are enclosing enough forms so that you can return them to us in duplicate and retain one copy for your own files.
